Essential Guides for Early Career Teachers

The Essential Guides for Early Career Teachers provide accessible, carefully researched, quick-reads for early career teachers, covering the key topics they will encounter during their training year and first two years of teaching.

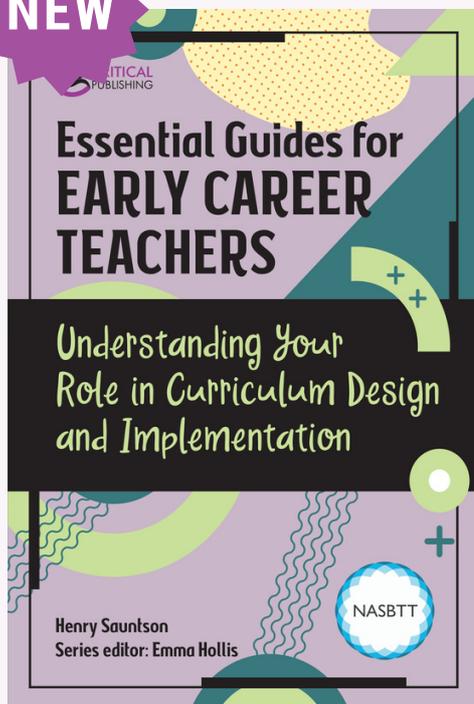

Series Editor Emma Hollis' absolute passion is teacher education. She is Executive Director of NASBTT - the National Association of School-Based Teacher Trainers. She sees teacher education as a continuum and, whilst her heart will always be very close to the initial stages of a teacher's development, she is dedicated to ensuring teachers are given access to high quality professional development throughout their careers.
